

## **Paperless Policy for Workshop Participants**

Branksome Hall's Sustainability Creed commits us to foster environmental stewardship in our school, to this end we are taking steps to minimize the amount of paper used in these workshops.

As such, we do not issue printed copies of workbooks to our workshop participants. Prior to the workshop, you will be contacted by your workshop leader with instructions on how to access the workshop materials.

While on campus, you will be provided with Wi-Fi access and should plan to bring a device (laptop or tablet) to work on during your workshop.

If you have any questions regarding this policy, please contact:
